# Sakae Sushi

*Review Highlights - "The food was delicious and fresh, and the space is comfortable." "Fun and entertaining place to eat - so many rolls to choose from, it's hard to pick. They have a wide variety of sushi, as well as hot plates and all the other good stuff. It's a good deal." "The conveyor belt concept is great; we couldn't keep our eyes away from the plates. The portions are reasonable, and the price is great. Overall, service was good. . . . Their sesame ice cream is heaven. We'll be back for more!"*
