

ZAGAT[®] RATED

NOTEWORTHY NEWCOMER

SAKAE SUSHI

Review Highlights - The global restaurant chain born in Singapore makes its U.S. debut in the Chrysler Building via this new Japanese best known for its . . . conveyor belt from which you can pluck your meal; hot food can be selected from a digital menu, but no matter how you order it, it's all priced remarkably low; N.B. tableside hot water taps for tea are in the works.
